LYRICS WORDS OF THE WISE

Seekers Of The Rose

CHOOSE YOUR FRIENDS

O Daughter of the Earth
I want to teach you
To choose your friends
You will recognise them
For they seek Eternity
And prefer joy to sorrow
They invite you to dance
And never do they weep with you

THE WORDS OF THE WISE

O Daughter of the Earth
I want to teach you
The words of the Wise
For they are the beacons
On the Way
Read them And read them again
Recite them And sing them
They are the stars Of Eternity

SEE THE BEST IN PEOPLE

O Daughter of the Earth
I want to teach you
To see The best in people

See in them Not who they are
Not what they do
But what Eternity Has placed in them
Thus can your words Lead them
To the Path of Immortality

THE MEMORY OF ETERNITY

O Son of the Earth
I want to teach you
To remember Eternity
To call it, to pray to it
So conferring Its purity upon humanity
Thus Eternity shall find Its home In the soul
Of every man and woman

MY OWN BREATH

O Son of the Earth
I want to teach you
To listen to your own breath
It contains All that was created
Before the beginning of time
And since then All that is hidden
And all that is manifest
It is the beginning and the end

NEVER HARM ANYONE

O Daughter of the Earth
I want to teach you
To never harm anyone
And to endure The harm of others
May your conduct Be ever gracious
And your denial Never hurt a brother
May your attitude toward him
Be always Benevolent

LOVE THE SIMPLE LIFE

O Son of the Earth
I want to teach you
To love the simple life
To be ever content
Immune to flattery And to wealth
May your only joy
Be in serving Eternity

THE PAST AND THE FUTURE

O Daughter of the Earth
I want to teach you
To concern yourself
With neither past nor future
For this prevents you
From living in the present

Eternity envelops itself
In the cloak of this very moment

HEALING

O Son of the Earth
I want to teach you Healing
To heal the body
See, the paralysed can dance
And the mute can sing again
To heal the soul

Purifying those who have gone astray
Granting joy unto the afflicted
It is the force that flows
From your heart to your hands

RESPECT

O Daughter of the Earth
I want to teach you
Respect
It is the mirror Of Eternity
Reflected In the human soul
May your respect for others
Show the respect For the Eternity
Living in your heart
